

# Bohdan Kovalchuk

Fullstack Developer

✉ Bohd4n@proton.me    📞 +380684850101    📍 Kyiv, Ukraine

## Profile

I'm an aspiring Fullstack Developer with a background in Secondary Education and self-employment. This experience has honed my skills in developing user-friendly applications and managing projects independently. I excel at problem-solving and dynamic environments, leveraging my technical expertise to deliver solutions. I'm eager to contribute and grow within a collaborative team, bringing a proactive and solution-oriented mindset to every project.
